1 **AN ACT to renumber and amend 118.25 (3); and to create 118.25 (3) (b) of the**
2 **statutes; relating to: physical health examinations of pupils.**

Analysis by the Legislative Reference Bureau

~~Under current law, in a county with a population of less than 500,000, a school board may require periodic health examinations of pupils by physicians. This bill allows a school board to require that a pupil be examined by a physician only if the school board mails a schedule of examinations to the pupil's parent or guardian at the beginning of each school year and obtains the written consent of the pupil's parent or guardian for a specific examination. The school board may conduct an additional examination if it mails the pupil's parent or guardian a revised schedule and obtains the written consent of the pupil's parent or guardian to conduct the additional examination.~~

For further information see the **local** fiscal estimate, which will be printed as an appendix to this bill.
