**Assumptions Used in Arriving at Fiscal Estimate:**

Current Law permits a school board to provide instruction in human sexuality, reproduction, family planning, human immunodeficiency virus and acquired immunodeficiency syndrome, prenatal development, childbirth, adoption, available prenatal and postnatal support and male responsibility.

This bill provides that if a school board provides instruction in any of these subjects, it must also offer instruction in marriage and parental responsibility.

State Fiscal Effect

None.

Local Fiscal Effect

Requiring instruction in marriage and parental responsibility may impose some additional costs on districts for materials and staff training, and will vary depending on the scope of the instruction each district chooses to offer. The costs are indeterminable.
