### ***Analysis by the Legislative Reference Bureau***

This bill requires the office of justice administration (OJA) to award grants to law enforcement agencies for the purchase of cameras, other than video cameras. The cameras may be used by law enforcement agencies only to document traffic stops and domestic abuse incidents. As a condition of receiving a grant, a law enforcement agency is required to provide 50% matching funds. A police officer may not make an arrest or issue a traffic citation if the arrest or traffic citation is based solely on evidence obtained from a camera that is purchased with a grant awarded by OJA.

Current law imposes a driver improvement surcharge on a person who violates certain laws relating to driving while intoxicated and imposes a domestic abuse assessment on a person who violates certain laws relating to domestic abuse. This bill increases the driver improvement surcharge from \$340 to \$341 and the domestic abuse assessment from \$50 to \$51. The money collected from the increases in the surcharge and assessment is used to fund the camera grant program.
