HIGHER EDUCATIONAL AIDS BOARD

International Baccalaureate Diploma Program Scholarship

11/18/99

Motion:

Move to create a new, sum sufficient GPR appropriation within HEAB for scholarships to public and private high school students who successfully complete the International Baccalaureate (IB) Diploma Program and receive an **IB** Diploma when they graduate from high school. Under the scholarship program, which would be administered by HEAB, each student who earns an international baccalaureate diploma would be eligible to receive a scholarship of \$500 for each year the student is enrolled in a participating postsecondary institution in Wisconsin. In order to receive the scholarship, a student would have to enroll at a participating postsecondary institution in Wisconsin on a full-time basis, by September 30 of the academic year immediately following the school year in which the student received the IB Diploma. A student would continue to receive the scholarship for each year he or she is enrolled full-time at an eligible postsecondary institution, maintains at least a 3.000 grade point average, or the equivalent as determined by the postsecondary institution, and makes satisfactory progress toward an associate or bachelor's degree. A student would be eligible to receive the scholarship for up to four years if the student attends a UW System institution or private college or for up to three years if the student attends a Wisconsin Technical College System (WTCS) institution. The scholarship could not be used to replace any other grant for which a student would be eligible.

Specify that each UW System institution, WTCS institution and private college that wishes to participate in the program would be required to notify HEAB by October 1, 1999 of its intention to participate. If an institution that has notified the Board of its intent to participate subsequently wishes to no longer participate in the program, the institution would be required to notify HEAB of its intent in writing by October 1 prior to the academic year in which the institution would no longer participate. Specify that half of each \$500 scholarship would be funded by the state and half would be funded by the postsecondary institution in which the student enrolls. Permit UW System institutions to satisfy the matching requirement by tuition remissions.

Require the Executive Secretary of HEAB to promulgate rules for the program.

By the waiver of academic fees est under s. 36.27 (www.ibo.org)

Note:

This motion would create a new scholarship program, to be administered by HEAB, for public and private high school students who obtain an International Baccalaureate (IB) Diploma. Under the program, scholarships of \$500 each would be awarded to students who enroll on a full-time basis at an eligible postsecondary institution in the state and would continue to be awarded to the student for each year that the student meets certain criteria, up to a maximum of four years for students enrolled at UW System institutions or private institutions and up to three years for students enrolled at WTCS institutions. Half of the scholarship amount would be funded by the state and half would be funded by the institution. Funding for the state's share of the scholarships would be provided in a new, sum sufficient GPR appropriation within HEAB. Postsecondary institutions would be required to notify HEAB of their intent to participate in the program. HEAB would be required to promulgate rules for the administration of the program.

The International Baccalaureate Diploma Program is a rigorous pre-university course of studies taken by a student in his or her junior and senior years in high school. The curriculum is not modeled after that of any particular country, but is intended to allow a student to fulfill requirements of various national education systems. A student must take courses in six subject areas and pass an examination in each in order to complete the program. In addition, the student required to participate in community service or other extracurricular activities and write a 4,000-word essay. Currently, three high schools in the state offer the program and a fourth is planning to begin offering the program within the next two years. It is not known how many students are currently enrolled in these programs or how many students have obtained the IB diploma. Therefore, the fiscal effect of this motion cannot be determined.

1999 BILL

1 **AN ACT** ^{Gen Cat} ...; **relating to:** creating an International Baccalaureate Diploma grant
2 program, granting rule-making authority[✓] and making an appropriation[✓].

Analysis by the Legislative Reference Bureau

This bill creates a grant program, administered by the higher educational aids board (HEAB), for high school students who received an International Baccalaureate Diploma (awarded to graduating high school seniors who have fulfilled requirements of various national education systems). A student who has earned the diploma is eligible to receive an annual grant in the amount of \$250 from HEAB and a matching grant from a participating University of Wisconsin System institution, a technical college or a private institution of higher education located in Wisconsin if the student is enrolled full time at the institution, maintains at least a 3.0 grade point average and makes satisfactory progress towards an associate or a bachelor's degree.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 20.235 (1) (fz)[✓] of the statutes is created to read:
4 20.235 (1) (fz) ***International Baccalaureate Diploma grant program.*** A sum
