

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0189/P1dn
PJK:kmg:ijs

October 5, 1998

In this draft, I have removed the language related to domestic partners being considered married persons. I have also added the majority of the requirements that apply to marriage licenses (I did not add those that did not seem to relate to domestic partnerships). One requirement is that the county clerk shall provide the parties with a pamphlet about the causes and effects of fetal alcohol syndrome. Do you want to keep this requirement?
