

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2186/5dn

MJL:jlg:km

November 15, 1999

This redraft makes a technical change by amending the definition of "secondary guaranteed valuation" under s. 121.07 (7) (b) to include the delayed school aid payment in s. 121.15 (1m) (a) 4., created by the bill. It also changes the initial applicability provision so that the bill first applies to the distribution of school aid in the 2000-01 school year.
