Analysis by the Legislative Reference Bureau**REDUCING TAXES**

Under current law, any taxpayer may petition the department of revenue (DOR) to reduce delinquent taxes, including any applicable costs, penalties and interest. If DOR determines that the taxpayer is unable to pay in full the amount due, based on an examination of the taxpayer under oath, the taxpayer's financial statements and any other information required by DOR, DOR determines the amount that the taxpayer is able to pay and then enters an order reducing the taxes, costs, penalties and interest owed by the taxpayer.

If within three years from the date on which DOR enters the order that reduces the taxpayer's taxes DOR determines that the taxpayer has an income or owns property that is sufficient to enable the taxpayer to pay the remainder of the original delinquent taxes, including costs, penalties and interest, DOR must reopen the order and order the payment in full of such taxes, costs, penalties and interest.

This bill expands current law so that DOR is authorized to reduce any taxes, costs, penalties and interest that are due from a taxpayer, regardless of whether the taxes, costs, penalties and interest are delinquent.

INCOME AND FRANCHISE TAXES

Under current law, spouses that file a joint income tax return are both liable for the payment of any tax related to that return. However, DOR may relieve a person of any tax liability related to a joint return, in a manner specified by the Internal Revenue Code and adopted by this state. Generally, DOR may relieve a person of any tax liability related to a joint return if the person's spouse did not notify the person of any tax liability or understatement of taxes related to the joint return. This bill corrects an outdated reference to the sections of the Internal Revenue Code that relate to a spouse's tax liability for a joint income tax return. The bill also requires a spouse to apply for relief from tax liability within two years from the date on which DOR begins collection activities on the spouse's tax liability or within two years from the effective date of the provision, whichever is later.

Under current law, an employer is required to deduct and withhold state income taxes from an employee's pay and to deposit those taxes with DOR on a quarterly basis. An employer must also file a tax withholding report with DOR on a monthly, quarterly or annual basis. Under current law, DOR cannot grant an employer an extension for filing such a report. Before 1999, DOR could grant a 30-day extension for filing a withholding report to an employer who showed good cause for granting that extension. This bill restores the prior law which allowed DOR to grant such an extension.

ASSEMBLY BILL 634**SALES AND USE TAXES**

Under current law, a retailer is required to use a bracket system, as determined by DOR, to compute the sales or use taxes that the retailer must collect from the sale of goods and services. Under this bill, a retailer may also use a straight mathematical computation, under rules promulgated by DOR, to compute the sales or use taxes that the retailer must collect from the sale of goods and services.

Under current law, the sales of certain goods are exempt from the sales and use taxes if those goods are used exclusively for a particular purpose. This bill clarifies the scope of such exemptions by providing that the sales of certain goods are exempt from the sales and use taxes if those goods are used in a nontaxable manner to the exclusion of all other uses, except for other uses that do not exceed 5% of total use in a year.

Under current law, if a seller makes a claim for a refund of sales taxes or use taxes and the claim is honored, the seller is required to pass along the refund and related interest to the buyers and to submit to DOR the portion of the refund that could not be passed on, along with a penalty. Under current law, if a seller receives a sales or use tax refund as the result of an audit, the seller is not required to submit the refund and related interest to the buyers. Also, a seller is not required to submit to the buyers sales or use taxes that are collected erroneously.

This bill requires a seller who receives any refund of sales or use taxes, or who collects sales or use taxes erroneously, to submit such a refund or taxes to the buyer, or to DOR if the buyer cannot be located, within 60 days after receiving a refund or after discovering that the seller has collected taxes erroneously. Any portion of a refund or taxes not submitted to the buyer, or to DOR if the buyer cannot be located, within that 60 days must be submitted to DOR, along with a penalty.

OTHER TAXATION

Under current law, a taxpayer may round dollar amounts on an income or franchise tax return to the nearest whole dollar. This bill permits DOR to require a taxpayer round dollar amounts to the nearest whole dollar on an income or franchise tax return. This bill also permits DOR to require that a taxpayer round dollar amounts to the nearest whole dollar on tax returns or tax reports related to sales and use taxes, estate taxes, fuel taxes, cigarette and tobacco product taxes, alcohol taxes, food and beverage taxes, premier resort area taxes, rental car fees and dry cleaning fees.

This bill allows DOR to accept payment for taxes, costs, penalties and interest from a taxpayer by use of a credit card and allows DOR to impose a credit card service charge on such payments.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
