January 19, 2000 – Introduced by LAW REVISION COMMITTEE. Referred to Committee on Children and Families.

1 **AN ACT** *to repeal* 16.385 (1) (b), 16.385 (1) (d), 16.385 (1) (e) and 16.385 (2) (b);
2 *to renumber* 16.385 (2) (a); *to amend* 16.385 (3) (c), 16.385 (3) (d), 16.385 (3)
3 (e) 1., 16.385 (3) (e) 7., 16.385 (5) (c), 20.505 (7) (km) and 20.505 (7) (o); and *to*
4 *create* 16.385 (5) (cm) of the statutes; **relating to:** the low-income energy
5 assistance and weatherization assistance programs (suggested as remedial
6 legislation by the department of administration).

Analysis by the Legislative Reference Bureau

Under current law, the department of administration (DOA) administers a number of housing assistance programs, including a low-income energy assistance program to assist low-income individuals with the cost of home energy and a weatherization assistance program to assist low-income individuals with weatherization costs. This bill makes a number of technical changes to those two programs.

Current law requires DOA to administer a low-income warm room program to install certain items for energy efficiency into the residences of certain low-income individuals and to train the individuals in the use of the items. Because DOA no longer conducts this program, the bill eliminates all references to the program.

Under current law, DOA is required to allocate for program administration expenses certain dollar amounts of moneys received from the federal government. The amounts exceed the percentages that are allowed under federal law to be used

ASSEMBLY BILL 658

for administration expenses. The bill provides that up to the specified dollar amounts, but not exceeding the amounts authorized under federal law, must be allocated for program administration expenses.

Current law requires DOA to allocate moneys under one of its appropriations and to transfer the amount allocated to another DOA appropriation for weatherization assistance. The bill eliminates the transfer so that the appropriation under which the moneys are allocated directly provides the allocated moneys for weatherization assistance.

Finally, current law provides that a household entirely composed of persons receiving aid to families with dependent children is eligible for low-income energy assistance. Because aid to families with dependent children no longer exists and Wisconsin works is the replacement public assistance program, the bill provides that a household entirely composed of a Wisconsin works group is eligible for low-income energy assistance.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the department of administration and introduced by the law revision committee under s. 13.83 (1) (c) 4., stats. After careful consideration of the various provisions of the bill, the law revision committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

2 **SECTION 2.** 16.385 (1) (d) of the statutes is repealed.

3 **SECTION 3.** 16.385 (1) (e) of the statutes is repealed.

4 **SECTION 4.** 16.385 (2) (a) of the statutes is renumbered 16.385 (2).

5 **SECTION 5.** 16.385 (2) (b) of the statutes is repealed.

1 under federal law, for the department's expenses in administering the funds to
2 provide low-income energy assistance.

3 **SECTION 7.** 16.385 (3) (d) of the statutes is amended to read:

4 16.385 (3) (d) From the appropriation under s. 20.505 (7) (o), allocate up to
5 \$2,900,000 in each federal fiscal year, but not exceeding the amount authorized

7 governmental agency or a private nonprofit organization in administering under
8 sub. (4) the funds to provide low-income energy assistance.

NOTE: SECTIONS 6 and 7 of this bill provide that the department of administration may allocate not more than the statutorily designated amount for expenses in administering the low-income energy assistance program.

9 **SECTION 8.** 16.385 (3) (e) 1. of the statutes is amended to read:

10 16.385 (3) (e) 1. ~~Allocate and transfer to the appropriation under s. 20.505 (7)~~
11 ~~(km)~~, 15% of the moneys received under 42 USC 8621 to 8629 in each federal fiscal

14 weatherization assistance program administered by the department under s. 16.39.

NOTE: SECTION 8 of this bill eliminates the word "transfer" from this subdivision. According to the department of administration, the word "transfer", when used at the federal level, is used to denote a transfer of funds between two block grants, which is impermissible. This SECTION also deletes obsolete language relating to contract levels for the weatherization assistance program in effect prior to July 20, 1985.

15 **SECTION 9.** 16.385 (3) (e) 7. of the statutes is amended to read:

16 16.385 (3) (e) 7. By October 1 of each year ~~and after consulting with the~~

18 encumbered and any funds remaining from previous fiscal years to heating
19 assistance under sub. (6) or to the weatherization assistance program under s. 16.39.

NOTE: SECTION 9 of this bill eliminates a reference to the department of administration, which, in effect, required the department to consult with itself before allocating funds for heating assistance or weatherization assistance programs. In

ASSEMBLY BILL 658**SECTION 9**

addition, the word “encumbered” is added to clarify that encumbered funds, as well as spent funds, are not available to be allocated to heating assistance or weatherization assistance programs.

2 16.385 (5) (c) A household entirely composed of persons receiving aid to

4 2029, ~~or supplemental security income under 42 USC 1381 to 1383c~~ or state

9 **SECTION 12.** 20.505 (7) (km) of the statutes is amended to read:

10 20.505 (7) (km) *Weatherization assistance.* All moneys transferred from the
11 appropriation under par. (o) and all moneys received from other state agencies or the

18 individuals and organizations and for the weatherization program under s. 16.39 as
19 provided in s. 16.385 (3) (e) 1.

NOTE: SECTIONS 12 and 13 of this bill make changes in the state and federal appropriation language for the weatherization assistance program to reflect the changes

ASSEMBLY BILL 658

made in SECTION 8 of this bill, which eliminated the reference to transferring funds from the federal appropriation language.
