

1999 ASSEMBLY BILL 663

January 19, 2000 – Introduced by Representative OLSEN, cosponsored by Senator GROBSCHMIDT. Referred to Committee on Education.

1 **AN ACT to amend** 118.125 (2) (g) 2.; and **to create** 118.125 (7) of the statutes;
2 **relating to:** the disclosure of pupil records by the department of public
3 instruction.

Analysis by the Legislative Reference Bureau

Under current state and federal law, with certain exceptions, all pupil records maintained by a public school are confidential. One exception in state law requires a school board to provide to the department of public instruction (DPI) any information contained in a pupil record that relates to an audit or evaluation of a federal or state-supported program or that is required to determine compliance with requirements in the state laws relating to schools.

This bill conforms this exception to federal law (see 20 USC 1232g and 34 CFR 99.35 (a)). Under the bill, a school board must provide DPI with any information contained in a pupil record that is in connection with an audit or evaluation of a federal or state-supported education program or for the enforcement of or compliance with federal law relating to such a program.

The bill also allows DPI to disclose such information to the U.S. Comptroller General or the U.S. Secretary of Education, or to appropriate state agencies and local educational agencies, in connection with an audit or evaluation of a federal or state-supported education program or for the enforcement of or compliance with federal law relating to such a program. A person to whom information is disclosed may not disclose the information to anyone else and must destroy the information when it is no longer needed. If the person discloses the information, DPI may not disclose information to that person for three years.

ASSEMBLY BILL 663

Finally, the bill allows DPI to charge a person who asks for a copy of a record a fee sufficient to cover the cost of deleting from the record information that is prohibited from being disclosed under state or federal law.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
