

**DRAFTER'S NOTE**  
**FROM THE**  
**LEGISLATIVE REFERENCE BUREAU**

LRB-3607/1dn  
JEO:jlj:jf

October 7, 1999

This draft allows DOJ's form to retain the language referring to whether the transferee is the "actual purchaser" of the firearm because that is virtually identical to the question on the federal form (question 9.a. of form ATF F 4473 (5300.9) asks "Are you the actual buyer of the firearm...?"). Okay?
