LRB - 0538/P1
MGB..... dn

1. The use of "local official" in s. 22.05 (1m) [✓] is quite vague. Do you want to define this term or use more specific language?

2. Assembly Amendment 8 to last session's bill deleted s. 22.08 which required that a person have a rehabilitation license to rehabilitate wild animals. However, the amendment did not delete s. 22.24 which establishes the rehabilitation license. Because of this, we have the anomaly that DNR issues licenses for which there is no need. I have left the draft this way but have made it preliminary until this issue is addressed.

3. Per DNR Attorney Mike Lutz's instructions, I have taken ~~out the~~ ^{the} last sentence in s. 22.24 (2) out of the engrossed bill because that reference is out of date. Do you want to put back in any of the language in s. 22.24 (2) that is found in the original bill but that was deleted in the engrossed bill?

4. ~~3.~~ I added the requirement that a person applying for a dog club training license ^{must} file a proper application and pay the applicable fee. I did this for consistency with other provisions in the draft. Also note that there is a dog club application fee under s. 22.30 (1)(f) ~~3.~~ _{le}

5. ~~4.~~ I rewrote s. 22.35 (1) (b). Please review s. 22.35 (1) (b) and (2) in this draft.

6. ~~5.~~ I know ^{that} the language contained in s. 22.40 in the engrossed bill was probably necessary to gain support for the bill, but it causes problems. Under the language, a local unit of government may enact an ordinance that is directly in conflict with ~~the~~ ^{the} state law. Then the question arises as to which law prevails. Under the home rule doctrine, the state law would prevail only if the subject of the ordinance is of statewide importance. If it is considered a "local issue", the ordinance would prevail. To avoid such disputes and possible litigation, I have changed the language to only allow the local units of government to enact ordinances that are stricter than the state law. I know this may not comply with your intent, but this issue needs to be resolved in a manner that is different from the language found in the engrossed bill. Please call me to discuss this if you are not satisfied with ~~what~~ ^{what} I have drafted... _{i.e.,}

7. ~~6.~~ Please review s. 29.506 (4) to ensure ^{that} it complies with your intent, ~~the~~ ^{the} permit supersedes any restrictions under the rest of ch. 29 and under ch. 22. OK?

8. ~~7.~~ Since there is no longer a Class A deer farm license, I assume that nonnative deer that are not farm-raised deer come under the captive wild animal farm license. I, therefore, have ~~made~~ ^{put} a cross-reference to s. 22.15 in s. 29.875 (1). OK?

9.

8. There were some changes in ~~chapter~~ ^{ch.} 951, which is entitled Crimes Against Animals, last session which require some thought and review by DNR. Section 951.15 was repealed except for the first subsection. Provisions similar to the repealed provisions were created in ss. 173.13, 173.22, 173.23 (1m) and 173.23(4). I reviewed these and feel that what remains of s. 951.15 and these new provisions are basically covered in ss. 22.36 and 22.39 of the bill, which deal with humane treatment and care and disposal of wild animals. However, I do not think that the engrossed bill adequately deals with some of the due process safeguards that are contained in these provisions in ch. 173. *De that are*

I also exempted wild animals subject to regulation under ch. 22 from ch. 173. Does this comply with your intent? I would like to discuss all of this with Mike Lutz. Please provide him with a copy of this draft and ask that he call me.

1. ~~By~~ renewals of validation licenses: ~~Since~~ the time frame in 22.32 (15) (a) and (b) were identical, I found both pars. (b) and (c) to be unnecessary. I, therefore, rewrote par. (a) and eliminated pars. (b) and (c). Also note the creation of s. 22.33 (3) (c).
 2. Ref ^{garding s.} 951.09: I changed the language in s. 951.09 (3) mainly to give it parallel construction but I did change "wild game" to "wild animal". OK? Also I received 2 versions of s. 951.09 (3) (d). One used the phrase "farm animal" and the other used just "animal". I used the latter. OK?
 3. Regarding s. 22.36 (8): Please review this provision in conjunction with the definition of public zoo and aquarium. Note that under this provision, a zoo, regardless of whether it is public, must keep these records if it is not a member of the American Zoo and Aquarium Association.
 4. Please review the changes in s. 29.855 (4) of the statutes to ensure ^{that} they comply with your intent.
 5. Note that I moved language regarding penalties for violation of DNR orders regarding humane care and housing from s. 22.39 (4) to s. 22.45 (3). Please review to ensure this complies with your intent.
 6. I have left it as a preliminary draft because the way ^{that} I reconciled ^{in which} interrelationship between ss. 22.38, 22.39, 22.41 and 22.42 and chs. 173 and 951 may well not comply with your intent. Please review what I have drafted to make sure that there are no conflicting provisions or gaps and to make sure it complies with your intent.
 7. Note in reviewing ^{s. 173.11} this section that I have made ^{that} s. 173.11 inapplicable to wild animals and have not drafted a provision in s. 22.42 that parallels the language found in s. 17313 (1) (c).
