Assumptions Used in Arriving at Fiscal Estimate <p>This bill prohibits a felony offender from possessing body armor. A person violating this prohibition would be subject to a felony penalty. The bill would allow felony offenders to request a circuit court for an exemption to this prohibition if certain conditions apply.</p> <p>It is impossible to predict the number of persons who would violate this law as well as the number of those who would seek a court exemption. The number is not expected to be significant . Although additional litigation increases court costs for the state and county the increase should not be significant.</p>
