Current law imposes a recycling fee of 30 cents per ton for solid ~~or hazardous~~ waste, other than certain kinds of high-volume industrial waste, disposed of at a landfill or other waste disposal facility. This type of fee is often called a tipping fee. The recycling fee is deposited in the recycling fund.

This bill increases the recycling fee to \$2.00 per ton.

For further information *see* the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

1. **JACKET** the draft for introduction _____

in the Senate _____ or the Assembly _____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
