**Assumptions Used in Arriving at Fiscal Estimate:**  
 The bill gives the department specific authority to write rules to regulate the storage and handling of anhydrous ammonia. The department already promulgates such rules under the department's general authority to promote safe places of employment, ss. 101.02 (15)(h) to (j) and 101.17, Stats. Therefore, the bill will have no state fiscal effect.

**Long-Range Fiscal Implications:**  
None
