

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-4231/1dn
JEO:cjs:km

January 18, 2000

The \$47,900 for the current fiscal year appears to assume that the draft, if introduced and enacted, will take effect sometime around April 1, 2000. Should the draft simply specify that the positions are created effective April 1, 2000, or the day after publication, whichever is later? Otherwise, if the draft were to be enacted before April 1, there might not be sufficient funding to start the positions on the effective date.
