

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-4079/1dn
PEN:cjs:kjf

January 13, 2000

Representative Brandemuehl,

Because this bill requires the erection of signs in the right-of-way of a federal highway, this bill might violate federal outdoor advertising restrictions, or agreements between this state and the federal government for control of outdoor advertising, and might therefore decrease the amount of federal highway funds or federal incentive payments received by this state. I recommend that DOT review this draft closely.
