Subject: drafting request

Paul,
Dave would like to introduce a bill that would require the Department of Transportation to install tourist-oriented directional signs for the Wisconsin Badger Camp. The signs would need to be placed on STH 18 at the intersection of Military Ridge Road, west of Mt. Hope in Grant County. If you're not familiar with the WI Badger Camp, it is a registered 501 c 3 in this state and annually serves 750 individuals (primarily from Wisconsin) with developmental disabilities. Badger Camp serves anyone regardless of the severity of their disability and provides each camper with a one or two week session designed for their age and ability level.

If you need any additional information, please let me know.

Thanks!

1 AN ACT relating to: tourist-oriented directional signs for Wisconsin Badger
2 Camp in Grant County.
→ Inc. 1/2

Analysis by the Legislative Reference Bureau

Under current law, the department of transportation (DOT) erects tourist-oriented directional signs to assist motorists traveling along highways. Tourist-oriented directional signs provide identification of and directional information for tourist-related businesses, services or activities, which derive the majority of their income or visitors during the normal business season from motorists not residing in the immediate area where the business, service or activity is located.

This bill requires DOT, upon receiving an application and applicable fees, to erect two tourist-oriented directional signs along USH 18 in Grant County, for Wisconsin Badger Camp, a nonprofit corporation ~~located in Wisconsin~~.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

Incl. 1/2

skt

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. Nonstatutory provisions.

4 (1) TOURIST-ORIENTED DIRECTIONAL SIGNS FOR WISCONSIN BADGER CAMP IN GRANT
5 COUNTY. Notwithstanding the eligibility criteria established under section 86.196 of

CS
Inc. 1/2

1 the statutes, upon application and payment of fees ordinarily required for the
 2 erection of tourist-oriented directional signs, the department of transportation shall
 3 erect two signs meeting the specifications under section 86.196 of the statutes, and
 4 rules promulgated under that section, for Wisconsin Badger Camp, ^{Incl. 4} located in ^{Grant County} The

Representative Brandemuehl,

Because this bill requires the erection of signs in 'the right-of-way of a federal highway, this bill might violate federal outdoor advertising restrictions, or agreements between this state and the federal government for control of outdoor advertising, and might therefore decrease the amount of federal highway funds or federal incentive payments received by this state. I recommend that DOT review this draft closely.
