1999 ASSEMBLY BILL 728

A. Sub. Amdt. 1

A N ACT relating to: ~~tourist-oriented directional~~ ^{specific information} signs for Wisconsin Badger Camp, Inc., in Grant County.

Analysis by the Legislative Reference Bureau

Under current law, the department of transportation (DOT) erects tourist-oriented directional signs to assist motorists traveling along highways. Tourist-oriented directional signs provide identification of and directional information for tourist-related businesses, services or activities, which derive the majority of their income or visitors during the normal business season from motorists not residing in the immediate area where the business, service or activity is located.

This bill requires DOT, upon receiving an application and applicable fees, to erect two tourist-oriented directional signs along USH 18 in Grant County, for Wisconsin Badger Camp, Inc., a nonprofit corporation that provides educational and recreational opportunities in a summer-camp setting for individuals with developmental disabilities.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Nonstatutory provisions.

-ASSEMBLY BILL 728

SECTION 1

#

(1) ~~TOURIST-ORIENTED DIRECTIONAL~~ ^{specific information} SIGNS FOR WISCONSIN BADGER CAMP, INC., IN

GRANT COUNTY. Notwithstanding the eligibility criteria established under section

~~86.195~~ ^{86.195 ✓} of the statutes, upon application and payment of fees ordinarily required for

the erection of ~~tourist-oriented directional~~ ^{specific information} signs, the department of transportation

shall erect ~~the~~ ² signs meeting the specifications under section ~~86.195~~ ^{86.195 ✓} of the statutes,

and rules promulgated under that section, for Wisconsin Badger Camp, Inc., located

in Grant County. The signs shall be erected along USH 18 at the intersection of USH

18 and Military Ridge Road, approximately one mile east of the USH 18 and STH 35

interchange in Grant County.

substitute amendment

Because this ~~bill~~ requires the erection of signs in the right-of-way of a federal highway, this ~~bill~~ might violate federal outdoor advertising restrictions, or agreements between this state and the federal government for control of outdoor advertising, and might, therefore, decrease the amount of federal highway funds or federal incentive payments received by this state. I recommend that DOT review this ~~bill~~ draft closely.
