

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-4211/1dn
PEN:cjs:jf

January 18, 2000

Representative Leibham,

Do you want to require operating privilege suspension for possession of “dangerous weapons” (other than firearms) on school premises? See s. 948.61, stats.

Do you want a person whose operating privilege is suspended under this bill to be eligible for an occupational license (to travel to and from work or school)? See s. 343.10 (1), stats. This draft does not make the person eligible.
