

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBs0479/1dn
DAK:kmg:jf

March 23, 2000

To Representative Albers:

This substitute amendment deletes the creation of s. 146.345 (2m) (a) (the prohibition on use of a fetal body part for transplantation or research) that was in LRBs0470/1. Please note that, because of this deletion, I also deleted the changed definition of "transplantation" under s. 146.345 (1) (b) that was in LRBs0470/1; that changed term is not used in this substitute amendment.
