1 AN ACT *gen cat*; relating to: requiring certain motor vehicles sold by motor vehicle
2 dealers-to be equipped with a front registration plate bracket and providing a
3 penalty.

Analysis by the Legislative Reference Bureau

Current law requires most motor vehicles, including automobiles, motor trucks and certain truck tractors, motor buses and road tractors, to display two registration plates on the vehicle; one plate on the front and one plate on the back.

This bill prohibits any motor vehicle dealer from selling a motor vehicle that is required to display a registration plate on the front of the vehicle, unless the vehicle is equipped with a registration plate bracket for affixing a registration plate for display on the front of the vehicle. A motor vehicle dealer who violates this prohibition may be required to forfeit not less than \$10 nor more than \$200 for each offense.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 *AX*
5 SECTION 1. 347.435 of the statutes is created to read:

Representative Spillner:

The technical name for a front license plate holder is a "bracket", according to the parts departments of Ahrens Cadillac, Don Miller Dodge, Thorstad Chevrolet, and Zimbrick Volkswagon, all of Madison. No motor vehicle dealer I spoke with called that part anything other than a "bracket".

I delayed the implementation of this requirement to allow dealers time to prepare for the change. Ok?

The penalty is provided under s. 347.50 (1), stats. Ok?

1. **JACKET** the draft for introduction _____

in the **Senate** ____ **or the Assembly** (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
