### ***Analysis by the Legislative Reference Bureau***

Under current law, the presidential preference primary (presidential primary) is held in this state on the first Tuesday in April, which is the date of the spring election. This bill changes the date of the presidential primary to the third Tuesday in February, which is the date of the spring primary. With limited exceptions, the bill also moves the deadlines applicable to the presidential primary, including the deadline for certifying to the elections board whose names will appear on the presidential primary ballot, to a date that is approximately six weeks earlier than the date provided under current law.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
