

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3282/1dn
RNK:cmh:km

August 26, 1999

1. For this draft, I have included an appropriation but have specified "\$-0-" for expenditure in fiscal years 1999-00 and 2000-01. When you know the dollar amounts that you need to include in the proposal, contact me and I will either redraft the proposal or draft an amendment, whichever is appropriate.
2. This draft specifies that the funding for abatement measures for raccoon damage, as well as funding for claims for raccoon damage, comes from GPR. It also specifies that county administrative costs for damage caused by any of the covered animals, including raccoons, come from the conservation fund. Is this consistent with your intent?
