

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0870/1dn

February 9, 1999

I have included the term “an administrative fee for late payment” in this bill because it was included in the substitute amendment from last session. However, I do so reluctantly because I do not know whether, or how, it is distinguishable from a late payment charge. The phrase is not used in the administrative rules regulating cable TV providers, and it is not used in the statutes. Let me know if you want to delete the phrase.
