Assumptions Used in Arriving at Fiscal Estimate <p>This bill provides that a judge who is setting conditions of release for a person charged with a felony may allow a victim of the offense to provide the judge with an oral or written statement concerning conditions of release.</p> <p>This bill would not have any significant impact upon circuit court operations. It should be noted that the bill refers specifically to judges allowing these statements and that many of these proceedings are also held before court commissioners. It is unclear if court commissioners are covered under this bill.</p>
