

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-4780/2dn
JTK:cmh:km

March 20, 2000

Charles Sanders:

1. Rather than leave the Milwaukee County Law Library as the only automatic distributee under s. 35.85 (11), stats., I have provided for the library to also be sent legislative documents upon application only. Please let me know if this is not in accord with your intent.

2. Because it will take some time to notify county clerks and the Milwaukee County Law Library of the change in policy and because by the time this draft would become law, probably 95% of the legislative documents for the current legislative session would have been distributed, I made this draft effective with the next legislative session. Please let me know if this is not in accord with your intent.

3. In reviewing the current text of s. 35.85 (11), stats., I noted that the text of s. 35.85 (11), stats., does not correlate with the text of s. 35.85 (intro.), stats., which concerns DOA document distribution. I have therefore renumbered this statute to s. 35.83 (4s), stats. Section 35.83, stats., relates to non-DOA document distribution.
