1997 ASSEMBLY JOINT RESOLUTION 84

soon

December 2, 1997 - Introduced by Representatives JOHNSRUD, MEYER, R. YOUNG, KREIBICH, FREESE, J. LEHMAN, HANSON, BOCK, PLOUFF, MUSSER, OWENS, HASENOHRL, HARSDORF, BOYLE, OTT, GOETSCH, PORTER, ROBSON, BALDWIN and KEDZIE, cosponsored by Senators RUDE, C. POTTER, MOEN, ROSENZWEIG, DARLING and WIRCH. Referred to Committee on Rules.

1 **Relating to:** memorializing Congress to work toward an international ban on land
2 mines.

3 Whereas, there are over 119,000,000 land mines scattered in 70 nations of the
4 world, and this number increases dramatically every year, the result of which is the
5 injury or death of 2,000 people a month; and

6 Whereas, these weapons continue to harm civilians and to prevent homes, land
7 and communities from being free of danger and destruction and make it impossible
8 for sustainable life to be resumed when war has ended; and

9 Whereas, numerous U.S. military leaders confirm that land mines pose a threat
10 to U.S. troops abroad and confirm that anti-personnel land mines no longer are
11 necessary weapons of war; and

12 Whereas, the United States declared a moratorium until 1999 on the export of
13 anti-personnel land mines and in 1996 called, by means of President Clinton's
14 address to the United Nations, for a universal ban on the transfer and use of

United States'

1 anti-personnel land mines and for the protection of civilians by removing the land
2 mines already laid in the ground; and

3 Whereas, the U.S. backing of the U.N. Conference on Disarmament is an
4 uncertain and contradictory approach to the permanent elimination of the
5 manufacture, sale and use of land mines and does not complement the more positive
6 diplomatic approach of the Ottawa initiative, which has a high level of international
7 support; and

8 Whereas, momentum is growing for a worldwide ban by the end of 1997, and
9 the support of the Ottawa process by the United States would show significant
10 leadership toward that goal; now, therefore, be it

11 **Resolved, by the assembly, the senate concurring, That** the members of the
12 Wisconsin legislature urge President Clinton and the Congress of the United States
13 to work toward a universal ban of the production, sale and use of land mines by
14 supporting the diplomatic "Ottawa process" in order to achieve an international ban
15 treaty in 1997, and, be it further

16 **Resolved, That** the assembly chief clerk shall provide copies of this joint
17 resolution to President Clinton and to each member of this state's congressional
18 delegation.

1. **JACKET** the draft for introduction

in the **Senate** _____ or the **Assembly** (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
