1 **To create** section 13 of article XIII of the constitution; **relating to:** elections at which
2 referenda may be held (first consideration).

Analysis by the Legislative Reference Bureau

Judiciary

This proposed constitutional amendment, proposed to the 1999 legislature on first consideration, requires that a state or local referendum, whether proposing an amendment to this constitution or otherwise, be held only at an election, other than a primary election, at which either members of the legislature or members of the ~~supreme court~~ are regularly elected.

A proposed constitutional amendment requires adoption by 2 successive legislatures, and ratification by the people, before it can become effective.

3 **Resolved by the assembly, the senate concurring, That:**

4 **SECTION 1.** Section 13 of article XIII of the constitution is created to read:
