1999 ASSEMBLY JOINT RESOLUTION

To create section 10 (1) (d) of article V of the constitution; **relating to:** the partial
2 veto power of the governor (first consideration).

Analysis by the Legislative Reference Bureau

This proposed constitutional amendment, proposed to the 1999 legislature on first consideration, limits the governor's partial veto authority. It provides that, in rejecting a part of an appropriation bill, the governor may reject the part only if the part would have been a complete and workable bill if separately enacted or is a *complete* complete dollar amount as shown in the bill.

A proposed constitutional amendment requires adoption by 2 successive legislatures, and ratification by the people, before it can become effective.

3 ***Resolved by the assembly, the senate concurring, That:***

4 **SECTION 1.** Section 10 (1) (d) of article V of the constitution is created to read:

5 (5) [Article V] Section 10 ⁽¹⁾(d) In rejecting a part of an appropriation bill, the
6 governor may reject the part only if the part would have been a complete and
7 workable bill if separately enacted or is a *complete* complete dollar amount as shown in the bill.

8 **SECTION 2. Numbering of new provision.** The new paragraph (d) of
9 subsection (1) of section 10 of article V of the constitution created in this joint

1 resolution shall be designated by the next higher open whole paragraph letter in that
2 subsection in that section in that article if, before the ratification by the people of the
3 amendment proposed in this joint resolution, any other ratified amendment has
4 created a paragraph (d) of subsection (1) of section 10 of article V of the constitution
5 of this state. If one or more joint resolutions create a paragraph (d) of subsection (1)
6 of section 10 of article V simultaneously with the ratification by the people of the
7 amendment proposed in this joint resolution, the paragraphs created shall be
8 lettered and placed in a sequence so that the paragraphs created by the joint
9 resolution having the lowest enrolled joint resolution number have the letters
10 designated in that joint resolution and the paragraphs created by the other joint
11 resolutions have letters that are in the same ascending order as are the letters of the
12 enrolled joint resolutions creating the paragraphs. *numbers*

13 ***Be it further resolved, That*** this proposed amendment be referred to the
14 legislature to be chosen at the next general election and that it be published for 3
15 months previous to the time of holding such election.

1. **JACKET** the draft for introduction _____ 

in the Senate ____ or the Assembly ____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
