1. **JACKET** the draft for introduction \_\_\_\_\_  
in the **Senate** \_\_\_\_\_ or the **Assembly**  (check only one). Only the requester under whose name the  
drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please  
allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_.  
A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_.  
If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or  
increases or decreases existing appropriations or state or general local government fiscal liability or  
revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to  
introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon  
introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to  
introduction retains your flexibility for possible redrafting of the proposal.

relating to the attached draft, please feel free to call me.
