

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3007/1dn
MDK:jlj:mrc

August 20, 1999

Representative Pettis:

Please review this resolution very carefully to make sure that it achieves your intent. I was not exactly sure about the rationale that you want to express as support for the federal bill. Therefore, please contact me if you have other ideas about the language in the introductory "whereas" clauses. For your information, note that the last "whereas" clause is based on the section 2 of the federal bill.

If you have any questions or redraft instructions, please contact me.
