1 **AN ACT** *to create* 346.915 of the statutes; **relating to:** following snowplows.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, no person may drive a motor vehicle closer than 500 feet behind an authorized emergency vehicle, including a police car, fire truck or ambulance, that is responding to a call or alarm. A person violating this prohibition may be required to forfeit not less than \$20 nor more than \$40 for a first conviction, and not less than \$50 nor more than \$100 for a second or subsequent conviction within one year of the first conviction. There is no similar prohibition applicable to following behind snowplows.

This bill prohibits a person from driving a motor vehicle closer than 200 feet behind an official snowplow that is engaged in the removal or treatment of snow or ice upon a highway having a posted speed limit of 35 miles per hour or more. The penalty for a violation is identical to the penalty for following an emergency vehicle too closely.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
