

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0490/1dn
JEO:wlj:ch

June 15, 1999

Given the change the amendment makes to what is required of firearms dealers, the criminal penalty seemed inappropriate. Accordingly, this amendment provides for a forfeiture of not more than \$1,000 if a dealer does not offer to sell a locking device when required to do so. Okay?
