Analysis by the Legislative Reference Bureau

The office of the commissioner of insurance administers the state life insurance fund (fund). The fund may issue any type of life insurance policy, not exceeding \$10,000, to a state resident. Premiums are paid into the fund, and net profits are distributed annually among policyholders. The state is not liable for any obligation of the fund. This bill increases the limit on ~~policies~~ that may be issued by the fund from \$10,000 to \$20,000.

1. **JACKET** the draft for introduction B. Burke

in the **Senate** or the **Assembly** _____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
