

# 1999 SENATE BILL 25

February 3, 1999 – Introduced by Senator BURKE, cosponsored by Representative CULLEN. Referred to Committee on Judiciary and Consumer Affairs.

1 AN ACT *to amend* 805.13 (4) of the statutes; **relating to:** providing the jury in  
2 civil actions with an explanation regarding the results of their findings.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, the court is required to instruct the jury on the law involved in the case before the jury. In addition, the court provides the jury with a complete set of written instructions that provide the burden of proof and the substantial law to be applied to the case. This bill adds a requirement in civil actions that the court must explain to the jury the legal conclusions that will follow from the jury's possible findings. In addition, the bill permits counsel for each party to comment on the court's explanation.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
