Analysis by the Legislative Reference Bureau

Under current law, a minor may be employed in a street trade such as the sale or distribution of newspapers or magazines only if the minor is at least 12 years of age, except that a minor under 12 years of age may work in fund-raising sales for a nonprofit organization, a public school or a private school. To be employed in a street trade, a minor must obtain an identification card and the minor's employer must obtain a permit from the department of workforce development (DWD) or from a local permit officer designated by DWD. A minor may be employed only during certain hours designated by DWD so that the minor's employment does not interfere with school attendance.

This bill permits a minor who is at least 11 years of age to be employed in the sale or distribution of newspapers or shoppers guides if the usual permit procedure is followed. Work in street trades other than newspaper or shoppers guide sales or
