

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1031/P1dn
RPN:pgt&jlg:jf

December 18, 1998

I did this draft as a preliminary draft because the request only discussed s. 704.17 (1) (c), but I also amended ss. 704.17 (2) (c) and (3) (b), which had identical language. This draft adds law enforcement agencies of the state and of political subdivisions of the state. It does not include federal or tribal law enforcement agencies. OK?
