1999 BILL

- 1 **AN ACT to create** 19.36 (10) of the statutes; **relating to:** access to public records
2 containing social security account numbers of individuals.

Analysis by the Legislative Reference Bureau

Currently, the custodian of the records of any state or local governmental unit must provide access to any public record in his or her custody unless otherwise authorized or required by law or unless the custodian demonstrates that the public interest in withholding access to the record outweighs the strong public interest in providing access to that record. Federal law prohibits state and local governmental units from disclosing social security account numbers under certain conditions.

The bill provides that no state or local governmental unit may permit access to any record or portion of a record that contains the social security account number of any individual together with information revealing the identity of that individual unless the requester is specifically authorized to have access to that information by federal or state law.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 **SECTION 1.** 19.36 (10) of the statutes is created to read:
4 **19.36 (10) SOCIAL SECURITY ACCOUNT NUMBERS.** No authority may permit access
5 under s. 19.35 (1) to any record or portion of a record that contains the social security

BILL

1 account number of any individual together with information revealing the identity
2 of that individual unless the requester is specifically authorized to have access to
3 that information by federal or state law.

1. **JACKET** the draft for introduction

in the **Senate** or the **Assembly** _____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT**. See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
