FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1230/1dn

December 14, 1998

Would you like to restrict the number or size of glasses of wine provided under this section, similar to s. 125.06 (12), stats.?

This bill allows every person holding a "Class A" license for retail sale of wine or liquor for off-premises consumption to provide wine free of charge for on-premises consumption (grocery stores, gas stations, etc.). If this is your intent, would you like to build this exception into the "Class A" license as in s. 125.51 (2) (e), stats.?
