 3 premises.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, no owner, lessee or person in charge of a public place may allow the consumption of alcohol beverages on the premises unless that owner, lessee or person in charge holds the appropriate license or permit. A “Class A” license authorizes the license holder to sell wine or liquor at retail for consumption only off the licensed premises. A “Class B” license authorizes the license holder to sell alcohol beverages at retail for consumption on or off the licensed premises.

This bill allows a “Class A” license holder to provide two wine taste samples of not more than three fluid ounces each, free of charge, for consumption on the licensed premises between the hours of 10 a.m. and 6 p.m.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
