

1999 SENATE BILL 101

March 25, 1999 - Introduced by Senators CHVALA and SCHULTZ, cosponsored by Representatives KREUSER, RYBA and BOYLE, by request of Joe Joyce. Referred to Committee on Economic Development, Housing and Government Operations.

1 **AN ACT to create** 40.03 (2) (v) of the statutes; **relating to:** distribution of periodic
2 publications containing information relating to the Wisconsin retirement
3 system.

Analysis by the Legislative Reference Bureau

Currently, the department of employe trust funds (DETF) publishes a periodic newsletter that is called the Trust Fund News. This publication contains information about the Wisconsin retirement system (WRS) and is provided to WRS participating employes at their places of employment and to WRS annuitants via mail delivery. The Trust Fund News is not provided to those WRS participants who are not participating employes or annuitants, unless the participant requests that DETF include the participant on the Trust Fund News mailing list. This bill requires DETF to distribute to all WRS participants who are not participating employes or annuitants any periodic publication containing information relating to the WRS that is distributed to participating employes or annuitants.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
