

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0587/2dn
PJD:kmg:jf

November 2, 1998

I revised pars. (b) and (c) as you requested. I also changed the cross-references on page 2, line 7, to "par. (a) or (b)" and on page 2, line 10, to "par. (a) or (c)". The result of the cross-references is that either pars. (b) or (c) can trigger sending the bill to finance, but if both pars. (b) and (c) apply the bill goes only once to finance. OK?
