1999 BILL

Regen

- 1 AN ACT *to amend* 40.41 (6) (b); and *to create* 40.41 (6) (c) of the statutes;  
2 **relating to:** social security coverage for students employed at public schools,  
3 colleges and universities.

***Analysis by the Legislative Reference Bureau***

Under current law, with certain exceptions, public employers are required to provide social security coverage to all of their employees. One of the exceptions to this social security coverage requirement involves students. Currently, public employers are not required to provide social security coverage to students if their employment is in a position that does not normally require actual performance of duty for at least 600 hours in each calendar year.

On October 21, 1998, Congress enacted P.L. 105-277, which provides a limited window of opportunity for states to modify their existing social security coverage agreements with the federal government to exclude from social security coverage services performed by students employed by the public school, college or university where they are enrolled and regularly attending classes. In order to qualify for this provision, a state must enact legislation before July 1, 2000, to provide for the exclusion from social security coverage for these students.

This bill creates this legislation. Under the bill, social security coverage is not provided for services performed in the employ of a school, college or university, if the service is performed by a student who is enrolled and regularly attending classes at the school, college or university.

1. **JACKET** the draft for introduction \_\_\_\_\_

in the **Senate**  or the **Assembly** \_\_\_\_\_ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
