- 1 AN ACT *to create* 230.03 (13m), 230.04 (16) and 230.12 (11) of the statutes;
2 relating to: salaries of teachers employed by the state.

Analysis by the Legislative Reference Bureau

This bill requires that the secretary of employment relations include in the compensation plan for the 2001–02 fiscal biennium the following for all classes in the state civil service that are composed of teachers:

1. Pay ranges that have a minimum pay rate equal to the sum of 60% of the hourly wage paid to first-year teachers permanently employed by school districts and 40% of the hourly wage paid to first-year teachers permanently employed by technical college districts.

2. Pay ranges that have a maximum pay rate equal to the sum of 60% of the hourly wage paid to teachers with the most experience who are permanently employed by school districts and 40% of the hourly wage paid to teachers with the most experience who are permanently employed by technical college districts.

3. Annual increases in pay rate and progression through pay ranges based on the number of years an employe has been employed in a class composed of teachers.

4. Additional pay adjustments for educational qualifications in amounts similar to the sum of 60% of the amount available to teachers permanently employed by school districts and 40% of the amount available to teachers permanently employed by technical college districts.
