### *Analysis by the Legislative Reference Bureau*

Under current law, a person may receive a permit from the department of natural resources to hunt with a crossbow if the person has suffered a disability affecting certain upper extremities, such as ~~a hand~~, or certain fingers, and if the person is unable to use a bow and arrow. If the disability involves a permanent substantial loss of function in one or both hands, arms or shoulders, a crossbow permit may not be issued unless the person fails certain ~~strength~~ tests. Under current law, a licensed physician or chiropractor must administer these upper extremity ~~strength~~ tests. Under this bill, a person is also eligible for a crossbow permit if a licensed physician or chiropractor certifies in writing that the person is physically unable to hunt with a bow and arrow.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1. **JACKET** the draft for introduction

in the **Senate**  or the **Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW.** prior to introduction \_\_\_\_\_.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
