

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1401/1dn
RNK:wlj:hmh

February 21, 2000

Your instruction for this amendment was to provide that DNR may issue a crossbow permit to a person if DNR receives certification from a licensed physical therapist that the person is physically unable to use a bow and arrow. For purposes of consistency, I drafted this amendment to also include licensed physical therapists as having authority to administer the tests specified under s. 29.171 (4) (a) 4. and 5. I also drafted the amendment to require DNR to compile a list of licensed physical therapists for the purposes of s. 29.171 (4) (c). If any of these changes are not consistent with your intent, please let me know and I will redraft accordingly.
