1999 BILL

regen

1 AN ACT *to repeal* 66.092; and *to amend* 895.527 (5) (b) of the statutes; **relating**
2 **to:** the regulation of firearms by cities, villages, towns and counties.

Analysis by the Legislative Reference Bureau

In general, under current law, no city, village, town or county (political subdivision) may enact an ordinance or adopt a resolution that regulates the sale, purchase, purchase delay, transfer, ownership, use, keeping possession, bearing, transportation, licensing, permitting, registration or taxation of any firearm or part of a firearm, including ammunition and reloader components, unless the ordinance or resolution is the same as or similar to, and no more stringent than, a state statute. Current law also allows a political subdivision to continue to enforce local firearms regulations that were in effect before the general prohibition on local firearms regulations took effect if such regulations are the same as or similar to, and no more stringent than, a state statute.

Current law does not prohibit a county from imposing a sales tax on any firearm or part of a firearm that is sold in the county, nor does it prohibit cities, villages and towns that exercise village powers from regulating the discharge of a firearm. Also under current law, a political subdivision may enact and enforce a zoning ordinance that regulates the new construction of a sport shooting range or the expansion of an existing sport shooting range. Any county ordinance or resolution that may be enacted under current law applies only in those towns in the county that have not enacted or adopted, or continued to enforce, allowable firearms regulations.

This bill repeals the prohibitions against a political subdivision enacting an ordinance or adopting a resolution regulating firearms in a way that is inconsistent with, or more stringent than, a state statute.

1. **JACKET** the draft for introduction Sen. B. Jauch

in the **Senate** or the **Assembly** (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
