

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3034/P1dn
JEO:jlg:km

May 19, 1999

Amber:

Please review this draft carefully to make sure that it does what you want it to do. In particular, please note that the draft includes this crime in the definition of "racketeering activity" under s. 946.82 (4) and adds it to the list of "serious crimes" for the purpose of bail revocation under s. 969.08 (10) (b). Is this okay?
