1997 BILL

registered on an annual or quarterly basis

Regen

1 AN ACT to renumber 341.12 (1); to amend 341.265 (1), 341.265 (1m), 341.266  
2 (title), 341.266 (2) (c), 341.266 (2) (d) and 341.266 (3); and to create 341.12 (1)  
3 (b) and 341.15 (1g) of the statutes; relating to: a single registration plate for  
4 certain older vehicles.

Analysis by the Legislative Reference Bureau

two

Under current law, the department of transportation (DOT) issues ~~two~~ license plates for each ~~annually-registered or quarterly-registered~~ automobile, motor truck, motor bus, school bus, self-propelled mobile home or dual purpose mobile home. Current law requires both license plates to be properly attached to the vehicle whenever the vehicle is operated.

This bill requires DOT to issue only a single license plate for these vehicles that are of model year 1968 or earlier. Current law requires vehicles for which only a single plate is issued to display the plate on the rear of the vehicle, except that some types of trucks and municipally owned vehicles may display the single plate on the front of the vehicle to enhance visibility of the plate.

The bill also requires DOT to issue only a single registration plate for specially registered "antique" vehicles (model year of 1945 or earlier) and for "collector" vehicles (motor vehicles 20 or more years old that are not used as primary transportation). The bill allows the owner of an antique vehicle, collector vehicle or vehicle that is of model year 1968 or earlier for which DOT has issued ~~two~~ registration plates to display either one or ~~two~~ plates at the owner's discretion.

in the **Senate**  or the **Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW.** prior to introduction \_\_\_\_\_.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
