~~JOINT LEGISLATIVE COUNCIL~~ PREFATORY NOTE: This bill was prepared for the joint legislative council's special committee on the children at risk program. The bill establishes a planning grant program for pupils retained in the 4th grade. Specifically, the bill appropriates \$300,000 in fiscal year 2000-01 to the department of public instruction (DPI) to be used for grants to school districts and cooperative educational service agencies to plan appropriate programs for 4th grade pupils who have failed to be promoted to the 5th grade. The DPI grants must be awarded on a competitive basis and individual grants may not exceed \$10,000. Further, under the bill, each grant recipient must submit a report to the superintendent on the plans developed with the funds and the superintendent may publish those plans.

state

The appropriation for this program is derived from general purpose revenues and is established as an annual program. These grants will permit districts who apply for a grant to begin to plan for pupils that are retained in the 4th grade for any purpose.

1. **JACKET** the draft for introduction _____

in the Senate or the Assembly ____ (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction *Peter R. Grant*.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
